This is a blanket security deposit for all boats.

The security deposit will be returned if the boat(s) is/are returned without damage. The security deposit is for the entire rental, NOT PER BOAT. Please understand that these are expensive crafts and you are responsible for anything that happens during your rental period, even if the amount exceeds your security deposit.

Read the contract before you sign it. All conditions are explicitly defined in the contract that you will sign, and it is binding.

- In some cases, you may have insurance with a homeowner or renters policy. Please check with your agent/insurance company to see if you have coverage.
- Only the renters and passengers listed above may come to the marina. There is NO PASSENGER EXCHANGE ALLOWED. Do not show up with more than the people that are going to ride the PWC initially. You cannot come here with a group and exchange riders or picnic on our site. As much as we would like to accommodate you, that is not how we are structured, and it has caused significant problems in the past.

If you show up with a group, we will cancel the reservation and you will be charged the cancellation policy fees.
